NEW RIVER | MOUNT ROGERS REGION

What is **BUILD YOUR FUTURE?**

A job training program to help you land your dream job
and earn money while you learn!

You'll start with **FOUNDATIONAL TRAINING important in every job:**

Professional Skills
Core Skills for most industry professionals
Job Readiness & Leadership
Basic Skills/GED® (if you need it)
And experience building a home

**You'll earn credentials necessary for skilled jobs
and money each step of the way!**

Then, you can go directly into **JOB TRAINING:
Healthcare**

Certified Nursing Assistant, Medical Assistant, Peer Recovery Specialist, LPN

Manufacturing

Production Technician, Mechatronics, Machining

IT

Help Desk Technician, IT Security and Network Specialist

Skilled Trades

Powerline Worker, HVAC, Maintenance, Heavy Equipment Operator

AND MORE!

This whole program is at no-cost to you.

**But even better, we offer a paid work-based learning so you can
continue to earn money while you learn.**

It doesn't get much better than that!

Oh, but it does...and we've saved the best for last!

We won't leave you hanging.

We also provide **Job Placement Services** and stay with you for a year to
help you every step of the way in your new career.

So, what are you waiting for? Contact us today.
